

Junior Kindergarten Full Day Schedule

8:30-9:00 Morning Circle/Music

Music provides the Junior Kindergartners the freedom to explore their world in song and dance. They are given the chance to play beautiful music. They are gathered to sing songs to greet the day, do calendar, days of the week, months of the year, weather, and number of days.

9:00-9:30 Snack Time

9:30-10:30 Reading

Junior Kindergartners engage in a rich array of language experiences. Children will learn in the areas of phonemic awareness and word recognition through various activities such as learning games, story telling, dramatic play, flannel boards, puppets, and children's literature to develop comprehension skills.

10:30-11:30 Computer

Junior Kindergartners will learn the importance of technology through hands-on learning with computers. They will use a program called "education city" to learn about Reading, Math and Language Arts.

11:30-12:30 Lunch

12:30-1:30 Outdoor Play

Outdoor play is the much-awaited time of the Junior Kindergartners. This is a time for them to play at the playground as much as they want.

1:30-2:20 Math

Junior Kindergartners learn by direct and concrete experiences such as activities involving sorting, comparing and ordering. With the aid of playful, exciting lessons and manipulative, the Junior Kindergartners enhance their skills in counting by rote, counting for information, seriating, pattern formation, and adding with picture cues.

2:20-3:00 Art

Art for Junior Kindergartners is a creative process that allows for choice, exploration and imaginative expression in a supportive atmosphere. Opportunities for exploring color, line and form and for discovering the effects of various media on different surfaces in an open-ended fashion allow each child to make his/her own personal statement with his or her artwork. Art projects are always related to the weekly Unit Study theme.

3:00-3:30 Snacks

3:30-4:30 Science

Science activities are aimed at encouraging observation, comparison, exploration, testing, inquiry, and problem solving. The Junior Kindergartners' senses are stimulated with many activities.

4:30-5:00 Center Time

Center Time is the peaceful, relaxing moment where the Junior Kindergartners have hands-on activities while enhancing their Reading skills, Math Skills, and Fine Motor Development. They are provided with an assortment of materials and are free to choose which one they want to use.
